PROBLEM SOLVING

Show your strategies for working out the problems.

You have 20 jellybeans.
Each quarter of the cake should have the same number of jellybeans on it.

How many jellybeans go on each quarter of the cake?

Mary has some pens.
She was given another 34 pens and now she has 92 altogether.

How many pens did she have in the beginning?

Tina buys 7 packs of drinks.
Each pack has 6 cans.

How many cans is that altogether?

Bobby has an iPod with some songs on it.
He downloads another 158 songs and he now has 194 songs in total.

How many songs were on his iPod when he first got it?

Maths

Practise your skills using Mathletics. Spend around 20 minutes each night on Mathletics to brush up your basic facts knowledge

Reading Log

Keep up your daily reading log - write down how many pages you read each evening.

From the Teachers:

- The School Cross Country is Tuesday 6th September. Y3 & 4 will run between 9.15am & 10.30am. We would like students to wear their house colours for running. They can do this by wearing an item that matches their house colour e.g. shorts, T-shirt, ribbon or face paint. Tui - yellow, Kiwi - green, Pukeko - blue, Kea - red. You are most welcome to join us on the day.
- Reminder about the Primary Teacher's Union meeting on Friday 9th September. Early pickup time is 12.30pm. Thank you for your support with this important meeting.
- Showcase costumes - On Wednesday we will have a dress up morning. Bring your costume in a named plastic bag.
